**Course Requirements**

**Requirements:** There will be 3 examinations and one optional comprehensive final administered in class. You must take 3 out of 4 exams. If you do not take 3 exams, your total points will be divided by 4. The questions for the exams will be taken from the text, materials discussed or viewed in class, assigned readings, and reading of children’s books as listed and given throughout the course. Books I discuss in class can also be on the exams even though they may not be in the required list of readings.

**Exams:** The questions on the 3 exams and the final will be objective – either matching or multiple choice. Scantrons will be provided. After exam grades have been posted, you may see your exam answers during office hours or by appointment. You can see your exam, but you cannot copy any of the questions. Sharing questions you note for yourself with others is considered cheating, and students caught may be suspended from the university and given an automatic F in class. Inquiries about exam grades must be made within one week after the grades have been posted.

University of Texas rules in regard to academic dishonesty are enforced in this class. Please do not plagiarize, as instances of plagiarism will result in an automatic F (fail) for the entire course. Plagiarism is defined here: [http://www.plagiarism.org/learning_center/what_is_plagiarism.html](http://www.plagiarism.org/learning_center/what_is_plagiarism.html)

Make-up exams are not given. If you miss an exam, then you will be required to take the comprehensive exam on **Aug. 18, 2014**. If you miss two exams, you will automatically get a zero for the second exam and will be required to take the final or drop the course.

**STATEMENT CONDERNING STUDENTS WITH DISABILITIES**

Students with disabilities may request appropriate academic accommodations from the Division of Diversity and Community Engagement, Services for Students with Disabilities, 512-471-6259. If you have a letter from the office of the Dean of Students which entitles you to special exam taking options, efforts will be made to accommodate your needs.

If you have a letter from the office of the Dean of Students, which entitles you to special exam taking options, effort will be made to accommodate your needs. University of Texas rules in regard to academic dishonesty are enforced in this class.
Exam Format: Exams may range from 60 to 100 objective questions and the final is comprehensive and is 100 questions long. When you come in, please leave an empty seat between you and the next person. **No headsets allowed. Please put cell phones away and turn them off.** Exams will not be handed out until everyone is seated. You will turn in both the scantron and the exam. **If you are more than 15 minutes late, you cannot take the exam. Be on time. Have your picture ID when you turn in your exam.** Consult the Class Calendar for your three exam times. Exam times cannot be changed unless you have a letter from the Office of the Dean of Students or you have made special arrangements.

**Please do not text or use your phones during lecture.** Put them on silent or vibrate. You may use your computers to take notes, but it is not appropriate to use it for social media or browsing the web during lecture. **Do that outside of class.** You may be asked to put your computer away if you get caught using it for other things than notes. It is distracting for other students when they are trying to take notes.

Grading: Grades are based on 3 exams, and one optional final (if you choose to take it) and an optional one point extra credit paper. Grading scale for this class will be as follows: (I use percentile grades, not raw scores.)

- **A** = 90-100%
- **B** = 80-89%
- **C** = 70-79%
- **D** = 60-69%
- **F** = Below 60%

Students taking the class CR/F must earn at least a 60% average to earn a CR. (Graduate students must earn at least a 70% average to earn CR.) Grades are not rounded up. For example an 89.999 requires an extra credit paper to become an “A”. The grade of X (incomplete) will be given only in cases of emergencies that have been reported at the time of the emergency.

Extra Credit: Any student who successfully completes one and only one of the choices for extra credit assignments will receive one point extra credit (one point added to class average). Extra credit options will be discussed in class.
